

MAXIM®

Ammoniated Glass Cleaner

Features:

Ready to Use

Non-Streaking, Fast Drying

Spray & Wipe Glass Cleaner

Description

This ammoniated product cleans tough soils such as lipstick, grease, oil and insect residue from all types of glass. Dries quickly and without streaking.

Directions

For glass cleaning:

- 1 Shake well. Hold can upright.
- 2 Spray onto surface from about 8 - 12 inches away.
- 3 Spray onto surface.
- 4 Wipe dry with a clean, lint-free cloth or paper towel.

Note: Use at room temperature - product will not spray in cold conditions.

Applications

Glass cleaner for:

- > Windows and mirrors
- > Windshields and computer screens
- > Other glass surfaces
