

Reflection Neutral Cleaner

Trapeador Húmedo para Pisos

Description

This product is a concentrated damp mop cleaner that uses low foaming surfactants and neutral chelating agents to clean all hard surface floors not damaged by damp mopping with water. Chelating agents help suspend solids and salts into solution to prevent filming on floors in high salt areas (sea salt, rock salt). This product is an excellent cleaner that leaves no residue.

Directions

- 
1 **Wear safety glasses & gloves**
Usar gafas de seguridad y guantes
- 
2 **Place bottle in dispenser and connect hose**
Coloque la botella en el dispensador y conecte la manguera
