Description:

Brawny® Professional D300 Disposable Cleaning Towels are engineered to offer excellent bulk, softness and absorption capacity. All-purpose double creped (DRC) wiper technology is the disposable cleaning cloth material of choice, ideal for use to clean up both water-based and oil-based products while being versatile enough to be used for personal use.

These cost-effective wipers come in a convenient, portable dispenser box for added protection and quick and easy one-at-a-time dispensing, which may help reduce waste and control costs. The portable box goes wherever you need it, ensuring you have wipers near work areas. Or use the box with the Wall Mount for Brawny® Professional Wiper Dispenser Boxes (54912) or the Multiplate® Wiper Dispenser Box Mounting Plate (50313) to hang on a wall for easy access. Brawny® Professional D300 Disposable Cleaning Towels are also available in a centerpull roll (20045) that's designed for use with our Brawny® Professional Centerpull Bucket (20040), as well as a handy perforated roll (20085).
