Together
**Let's
Shine.**

Introducing
SMARTPOWER™

A powerful program to help you shine.

By combining innovative chemistry and expert service, SMARTPOWER™ brings to your restaurant a new level of clean, operational simplicity and sustainability. It's what your guests see that will impress them the most – **a visible clean and impeccable wares.**

SMARTPOWER™

SMARTPOWER™

SMARTPOWER™ is a complete warewashing program that uses proprietary chemistry resulting in the highest level of cleanliness, promotes food safety and sustainability while saving labor and utilities.

The complete warewashing program for results that shine, the first time.

Innovative Chemistry

Highly effective formulas are designed to eliminate the toughest food soils.

Enhanced Safety

Provides safety measures for simplified operations – helping reduce the risk of cross contamination and promoting safer product handling.

Expert Service

Delivering the best service in the industry ensures your success.

BEFORE

The blue dye indicates protein residue.

AFTER

Enzymes in our solid detergent wash away the problem.

*When compared with APEX™ Warewashing solutions.

SMARTPOWER™

SMARTPOWER™ Presoak Pot & Pan

Specifically formulated to **soak off tough grease and baked-on solids** before wares are washed and sanitized.

SMARTPOWER™ Sanitizer

Helps maintain a clean environment and **helps reduce food safety risks** in a small, compact form.

Compact solid chemistry and ergonomic dispenser design **fit tight kitchen spaces.**

Shape- and color-coded solid blocks are **safe and easy to store, carry and load.**

SMARTPOWER™ Manual Detergent

Attacks tough food soils while feeling soft on the hands and **helps reduce water consumption** by up to 75%.*

Proactive service and training help ensure **consistently positive results.**

*By reducing number of sink refills, compared to a conventional competitive liquid detergent.

SMARTPOWER™

Powerful performance. Results that shine at the lowest total cost.

SAVE

\$301

each year by reducing energy usage by **301 therms**.
