

The Foam-Eeze® Foam Soap Dispenser with Refillable Bottle in white and gray provides an efficient and durable hand hygiene solution for commercial spaces, offices, and public restrooms. This dispenser is made with long-lasting ABS material and will handle frequent use while retaining a clean and professional appearance. Its 1000ml (34 oz.) refillable bottle features a convenient sight window that allows staff to check soap levels, reducing downtime and maintenance quickly. The easy-to-use push-bar delivers a consistent portion of 0.7ml of foam liquid per pump, thus minimizing waste. A secure key lock system helps prevent tampering, while optional universal access accommodates different operational needs. The Foam-Eeze® Dispenser combines style, function, and reliability in a single unit.

Key Features

- White and gray finish complements any restroom or commercial environment, blending seamlessly with existing décor
- Built with high-quality ABS material that withstands daily use while maintaining a clean, professional look
- Features a key lock for maximum security or optional universal access to suit various installation needs
- Simple push-bar dispensing releases 0.7ml of foamed liquid per stroke for controlled and efficient use
- Designed with a refillable 1000ml (34 oz.) bottle and has a convenient sight window to monitor soap levels easily
